‘Green Wonder’ Slated For Launch...

Continued from Pg4.....

Yoga, and Naturopathy besides making Ayurvedic medicines available for mind-body-spirit improvement.
Needless to state that without monetary support the mission will not meet its planned consecration. More importantly, what is anticipated of the young Indian-American Diaspora is the volunteering of their time and

talent with specific reference to technology expertise in: sound systems, water purification and power generation. The young entrepreneur’s views are needed to enhance this project as a unique model for global replication, in order to multiply its understanding.
